PART B – ADDITIONAL INFORMATION

- 4.1 Since the repeal of the Fixed Term Parliaments Act 2011, there is no longer any certainty as to when the next general election will be. The Boundary Commission for England has completed a review of parliamentary constituency boundaries and published its final recommendations.
- 4.2 As a result of this, it is important that the polling district and places review is carried so that the Council has agreed polling districts and polling places to be used for the next parliamentary election, which must take place before 28 January 2025, as well as the scheduled Police and Crime Commissioner elections which will be held in May 2024.
- 4.3 There is no change to polling district boundaries only to parliamentary boundaries. Furthermore, the names of the Constituency have been changed (Kingswinford and South Staffordshire Constituency and Stone, Great Wyrley and Penkridge Constituency).
- 4.4 A notice to launch the review was published on the 13 November 2023 and full details of the review were made available on the Council's website and notice boards. The review was also promoted on social media and through news round-ups. Information on the proposed scheme by the (Acting) Returning Officer Dave Heywood was also available on the website during the review.
- 4.5 There is only one change of polling station following the review. Kingswinford and South Staffordshire constituency, Polling District RAA, Perton East, move from Perton Pavillion and Scout Club, Gainsborough Drive, Perton to 'The Lakeside Hall' - Perton Civic Centre, Church Road. This change was recommended due to feedback of poor accessibility at night and in wet weather. Furthermore, due to the building being

unusable at the local election in May the Lakeside Hall was used, and no complaints were received in the change of venue. The Lakeside Hall is easier and safer to access and a more suitable venue for a polling station.

This change of venue will come into effect at the next election held in this area.

- 4.6 During the consultation period there was a comment/representation made. These can be found at Appendix 1 along with the Returning Officer's response to the representations made.

- 4.7 The final Polling Places and Polling Stations (change summary) are detailed at Appendix 2.

The final Polling Places and Polling Stations (full details) are detailed at Appendix 3.

- 4.8 Following the Police, Fire and Crime Commissioner elections and General Election we will review the feedback provided to us from the Polling Station Inspectors, Presiding Officers, candidates and agents and electors to ensure that the Polling Stations remain suitable for electors.

Publishing the conclusions of the review

- 4.9 Following approval from the Standards and Resources Committee on January 25 2024, we will publish a notice of conclusion of the review on the Council's website, take any associated actions and provide a link to this report which shows all the correspondence we received as part of the review.
