One public comment received. The comment supports the application for the reasons already summarised in the Public Consultation Responses section of the officer report.

#### **23/01060/FUL: Outdoor Creations Limited, Hinksford Garden Centre, Hinksford Lane, Swindon, DY6 0BH**

Comment received in support of the application:

Councillor Roger Lees BEM JP (received 19/02/2024)

“This application is part of the UKSPF Rural Development fund and has been granted a significant sum towards this project, which supports Rural businesses making it more sustainable and creates new jobs in a difficult area for employment.

I hope members can support this small business and approve this application as recommended”.
