## **PART B – ADDITIONAL INFORMATION**

### **4. INFORMATION**

All relevant information is contained within the Appendix.

#### **Advice to Applicants and the Public**

The recommendations and reports of the Development Management Team Manager contained in this schedule may, on occasions, be changed or updated as a result of any additional information received by the Local Planning Authority between the time of its preparation and the appropriate meeting of the Authority.

Where updates have been received before the Planning Committee's meeting, a written summary of these is published generally by 5pm on the day before the Committee Meeting. Please note that verbal updates may still be made at the meeting itself.

With regard to the individual application reports set out in the Appendix then unless otherwise specifically stated in the individual report the following general statements will apply.

Unless otherwise stated any dimensions quoted in the reports on applications are scaled from the submitted plans or Ordnance Survey maps.

#### **Equality Act Duty**

Unless otherwise stated all matters reported are not considered to have any adverse impact on equalities and the public sector equality duty under section 149 of the Equality Act 2010 has been considered. Any impact for an individual application will be addressed as part of the individual officer report on that application.

#### **Human Rights Implications**

If an objection has been received to the application then the proposals set out in this report are considered to be compatible with the Human Rights Act 1998.

The recommendation to approve the application aims to secure the proper planning of the area in the public interest. The potential interference with rights under Article 8 and Article 1 of the First Protocol has been considered and the recommendation is considered to strike an appropriate balance between the interests of the applicant and those of the occupants of neighbouring property and is therefore proportionate. The issues arising have been considered in detail

in the report and it is considered that, on balance, the proposals comply with Core Strategy and are appropriate.

If the application is recommended for refusal then the proposals set out in the report are considered to be compatible with the Human Rights Act 1998. The recommendation to refuse accords with the policies of the Core Strategy and the applicant has the right of appeal against this decision.
